Bare Necessities

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife
I mean the bare necessities
Or mother nature's recipes
That bring the bare necessities of life

Wherever I wander.....wherever I roam
I couldn't be found out.....of my big home
The bees are buzzin' in the tree
To make some honey just for me
When you look under the rocks and plants
And take a glance at the fancy ants
Then maybe try a few

[-Movement-]

The bare necessities of life will come to you
They'll come to you

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife
I mean the bare necessities
That's why a bear can rest at ease
With a-just the bare necessities of life

When you pick a paw-paw, or a prick-er-ly pear
And you prick a raw paw...next time beware
Don't pick a prick-er-ly pear by the paw
When you pick a pear try to use the claw
But you don't need...to use the claw
When you pick a pair of the big paw-paw
Have I given you a clue?

[-Movement-]

The bare necessities of life will come to you
They'll come to you

[-Movement-]

Yeah!

Colonel Hathi's March

Hup two three four
Keep it up two three four
Hup two three four
Keep it up two three four

Leader – "Company sound off!"

Oh, the aim of our patrol
Is a question rather droll
For to march and drill
Over field and hill

Its a military goal!
Its a military goal!

Hup two three four
Keep it up two three four

By the ranks or single file
Over every jungle mile
Oh we stamp and crush
Through the underbrush

In a military style!
In a military style!

(Movement)

Hup two three four
Keep it up two three four

Oh, we march from here to there
And it doesn't matter where
You can hear us push
Through the deepest bush
With a military aer-hair

A crackerjack brigade
On a pachyderm parade
But we'd rather stroll to a water hole
To sit down in the shade!

Leader – "Company sound off!"

Hup two three four
Keep it up two three four
Hup two three four
Keep it up two three four (*ad finitum to exit*)

Red White and Blue

Time for a song gentlemen
It's an anthem of praise to a lady
This is my song gentlemen
It's a homage I owe to a lady
Each on among the glory days
Tells the lustre of her story
Lend me your ears gentlemen
While I salute her name

High and mighty my standard
Freedom belongs to you
You're the emblem of the flag we love
It's the red white and blue
Every colour the rainbow
Has in a magic hue
There is none there that can compare
With the red white and blue
Though other lands may wonder
On the glory you bestow upon us all
That the distant roar of thunder
Is the cheering of the people in the Mall
Wider ever and wider
You shall be waving through
On England's scene for England's queen
Over the red white and blue

High and mighty my standard
Freedom belongs to you
You're the emblem of the flag we love
It's the red white and blue
Every colour the rainbow
Has in a magic hue
There is none there that can compare
With the red white and blue
Though other lands may wonder
On the glory you bestow upon us all
That the distant roar of thunder
Is the cheering of the people in the Mall
Wider ever and wider
You shall be waving through
On England's scene for England's queen
Over the red white and blue
