One Vision

Red White and Blue

Time for a song gentlemen
It's an anthem of praise to a lady
This is my song gentlemen
It's a homage I owe to a lady
Each on among the glory days
Tells the lustre of her story
Lend me your ears gentlemen
While I salute her name

High and mighty my standard
Freedom belongs to you
You're the emblem of the flag we love
It's the red white and blue
Every colour the rainbow
Has in a magic hue
There is none there that can compare
With the red white and blue
Though other lands may wonder
On the glory you bestow upon us all
That the distant roar of thunder
Is the cheering of the people in the Mall
Wider ever and wider
You shall be waving through
On England's scene for England's queen
Over the red white and blue

High and mighty my standard
Freedom belongs to you
You're the emblem of the flag we love
It's the red white and blue
Every colour the rainbow
Has in a magic hue
There is none there that can compare
With the red white and blue
Though other lands may wonder
On the glory you bestow upon us all
That the distant roar of thunder
Is the cheering of the people in the Mall
Wider ever and wider
You shall be waving through
On England's scene for England's queen
Over the red white and blue

Crest Of A Wave

Verse

All Hands aboard boys, all hands aboard boys
The ship is calling for more
We're getting ready, now for the steady
Pull away from the home shore.
We're off to find adventure anyhow,
Because we know that now...

Chorus

We're riding along on a crest of a wave
And the sun is in the sky
All our eyes on the distant horizon
Look out for passers-by
We'll do the hailing
When all the ships are round us sailing
We're riding along on the crest of a wave
And the world is ours

100 Years

Verse 1

When I wake up...yeah I know I'm gonna be
I'm gonna be the scout who camps along with you
When I go out yeah I know I'm gonna be
I'm gonna be the scout who hikes up hills with you

Verse 2

And if we get lost yeah I know I'm gonna be
I'm gonna be the scout who finds the right route through
If you get tired yes I know I'm gonna be
I'm gonna be the scout that helps encourage you

Chorus

Now we've been here one hundred years
And we'll be here one hundred more
Just to be the scouts who made the cheers
Ring out just like the scouts befor-or-ore

Verse 3

When I'm working yes I know I'm gonna be
I'm gonna be the scout who's working hard for you
And when we have fun yeah I know I'm gonna be
I'm gonna be there having fun with all of you

Verse 4

And as I grow up, then I'll start to lead the way
I'll start to lead the way for all the younger men
And when I'm older, then I know its time to play
My role as leader to a bunch of men again

Chorus

Now we've been here one hundred years
And we'll be here one hundred more
Just to be the scouts who made the cheers
Ring out just like the scouts before...

Verse 6

And when I go out, other scouts, they always knew
That I was proud to wear maroon, and that's a clue

Proud - Heather Small

Solo...

I look into the window of my mind,
Reflections of the fears I know I've left behind.
I step out of the ordinary; I can feel my soul ascending,
I'm on my way, can't stop me now and you can do the same.

All...

What have you done today to make you feel proud?
What have you done today to make you feel proud?
You could be so many people if you make that break for freedom.
What have you done today to make you feel proud?

Solo...

Still so many answers I don't know,
And realise to question... is how... we grow-ow-ow.
I step out of the ordinary; I can feel my soul ascending,
I'm on my way, can't stop me now and you can do the same, yeah.

All...

What have you done today to make you feel proud?
(It's never too late to try.)
What have you done today to make you feel proud?

All...

We could be so many people if you make that break for freedom.
What have you done today to make you feel proud?

Middle 8

Yeah.....Change, yeah.
I can feel my spirit rising,
Change, yeah, (we need a) change, yeah.
Coz I can see a clear horizon,
I can see a spirit rising.

All...

What have you done today to make you feel proud?
(Lemme hear ya, lemme hear ya, lemme hear ya [merged])
So what have you done today to make you feel proud?
(Lemme hear what ya done today yeah)
'Cause you could be so many people if you make that break for freedom.
So what have you done today to make you feel ~~pr~~?
What have you done today to make you feel proud?
(What have you done now, what have you done yeah)
What have you done today to make you feel proud?
(Lemme hear, lemme hear, what ya done yeah)
You could be so many people, just make that break for freedom.
So what have you done today to make you feel... Proud.
